# New Blood 2024

The 30th annual model makers  
recruitment fair

### Holborn Studios

40/50 Eagle Wharf Road  
London N1 7ED

## Thursday 13th June 2024

Holborn Studios London

Arts University Bournemouth  
University of Hertfordshire • Northbrook College  
The Northern School of Art • Coleg y Cymoedd  
University for the Creative Arts

Welcome to New Blades 2024! This year, we are thrilled to showcase the exceptional talent of graduates from six distinguished model making courses.

Join us for any time from 10am to 10pm, where you can explore the vast array of models created by the graduates.

We extend our heartfelt gratitude to our generous sponsors whose support has made it possible for the graduates to exhibit in the heart of London.

We are deeply appreciative of the unwavering support from our main show sponsors: Foster + Partners, Amalgam, Mouldlife, Prototype Projects, Fixie, Association of Professional Modelmakers, MAD Models, Leviathan Workshop, 4D modelshop, RSHP, Printing Portal and Ogle Models & Prototypes.

Additionally, we extend our sincere thanks to the award sponsors, who will be adjudicating and presenting individual awards at the show.

### Best of Show

If you are a member of the industry, your voice matters!  
Cast your vote for the 'Best of Show' before 8:30pm.  
Join us at 9:00pm for the eagerly awaited announcement of the winner, who will be presented with their well-deserved award.

### Awards

**Best of Show** 4D modelshop & Fox Silver  
**Best of Show Runner Up** 4D modelshop & Fox Silver  
**Best Architectural Model** Foster + Partners  
**Best Use of Creative Materials** 4D modelshop  
**Best Finish on a Model** Atom Ltd  
**Most Ingenious** Amalgam Modelmaking Limited  
**Gerry Anderson Film Miniature Award** Anderson Entertainment  
**Best Model Making** Asylum Models  
**Best Figurative Model** Merlin Magic Making  
**Best SFX Model or Prop** Machineshop  
**Outside the Box** Machineshop  
**The Twins FX WOW Factor Award** The Twins FX  
**The Richard Gregory SFX Award** Anderson Entertainment  
**Leviathan Workshop Award** Leviathan Workshop  
**Best Use of Silicone** Dorset Orthopaedic  
**Sustainability Award** Feilden Clegg Bradley Studios  
**Fixie's Best Use of 3D Printing** Fixie  
**Best Product Model** Ogle Models & Prototypes  
**Sculptural Precision** Mouldlife  
**M.A.D Models Award** M.A.D Models  
**Pretty Cool Award** Matter

Today's awards were made by the Iain & his team at the 4D modelshop Bespoke Services workshop.

They used a number of their services to create the trophies:  
Laser Cutting, Photo Etching, Resin Casting and Dry Transfers.

To find out more about the Bespoke Services, speak to Iain at the show or visit:

[www.modelshop.co.uk](http://www.modelshop.co.uk)

University of  
Hertfordshire **UH**

**BA (Hons) Character and Creative Effects**  
**BA (Hons) Model Design and Model Effects**  
**BA (Hons) Special Effects**

A combined first year splits into the three degree disciplines during the second and third year, when students develop their own specialism. The programme achieves high graduate employment and is proud that many graduates are now working in senior positions across the creative industries. We have excellent links with a diverse range of companies and are always keen to build new relationships too.

**ARTS  
UNIVERSITY  
BOURNEMOUTH**

**BA (Hons) Modelmaking**

Bournemouth is at the centre of the South Coast's creative culture. It provides a stimulating environment for this well established, world leading course. At our specialist art & design campus we value our collaboration with industry while developing research and archives that influence our discipline's academic development. For over 20 years, we've taken pride in enabling graduates who are prepared for employment, entrepreneurship and postgraduate study. Maker culture is strong with us...

 **Coleg y  
Cymoedd**

**BA (Hons) TV & Film: Prop Making**

Situated close to Pinewood, BBC Roathlock and Dragon Studios, the course allows students to build and develop a wide range of practical and technical understanding. Processes employed include sculpting, casting, carpentry and metal fabrication. The practical skills are supported by high levels of contextual and historical understanding, underpinned by research, theory and analysis, developing the professional knowledge and skills needed for industry.

 **THE  
NORTHERN  
SCHOOL  
OF ART**

**BA (Hons) Model Making & Visual FX**

The BA (Hons) Model Making & Visual FX degree at The Northern School of Art has been developed directly with our industry partners, who include visual effects artists, miniature effects designers and model makers. Our programme teaches students to combine creativity with high levels of technical ability, developing practical workshop techniques with digital skills to help students secure employment in the screen Industries and beyond.

 **Northbrook  
College**

**BA (Hons) Prop Making & Special Effects**

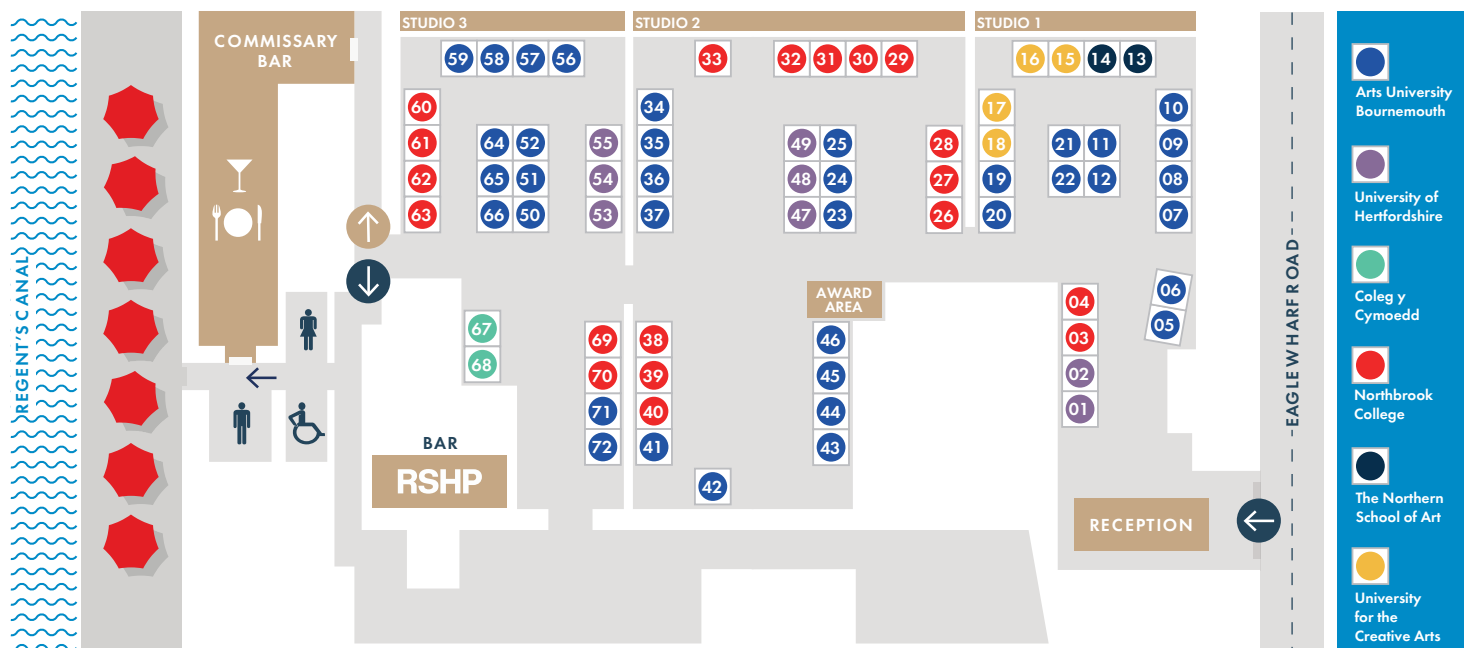

This course focuses on the design and manufacture of props for theatre, TV, film, display and entertainment industries. The course explores a wide range of creative techniques to create a broad creative skill set that will support your development as a prop maker.

 **UCA** University  
for the  
Creative Arts

**BA (Hons) Design for Theatre & Screen**

The course is designed to nurture imaginative and divergent thinkers to create worlds where stories can happen, as well as the costumes and props that exist in those spaces. Our staff are practising theatre and film professionals, passing on their knowledge, skills, and experience to help students sustain their craft beyond university.

# APMM

ASSOCIATION OF  
 PROFESSIONAL MODEL MAKERS

The APMM is the only organization that promotes our industry while representing and uniting the many types of highly skilled specialists who provide this valuable service all around the world.

[WWW.MODELMAKERS.ORG](http://WWW.MODELMAKERS.ORG)

Since 1993 there has been no better association for our industry's brightest and most experienced professionals, business owners, managers, students, and educators - along with our select group of vendors - to discuss the tools, materials, software and techniques for custom fabrication, painting and finishing, molding and casting, rapid prototyping, shop safety, business practices and much more.

Our members work in all these industries and many more besides:

ARCHITECTURE - INDUSTRIAL DESIGN - FILM/TV/GAMING  
 PROTOTYPING - TRANSPORTATION - MEDICAL EQUIPMENT  
 SPORTING GOODS - DISPLAYS AND EXHIBITS - EDUCATION

We provide our members with opportunities to interact with each other, to share knowledge, expand their networks, and advance their careers, whether finishing their degree or as a seasoned pro.

**Get Answers Quickly:** Post a question to our online forum and all the subscribed members will see it immediately and help you out if they can. The forum is conveniently divided into categories so you can check out the topics that interest you.

**Post a Job or Position or Ad or CV:** Do you need to have a model made? Do you need a model maker? Are you looking for work for your company or yourself? [www.modelmakers.org](http://www.modelmakers.org) should be part of your search!

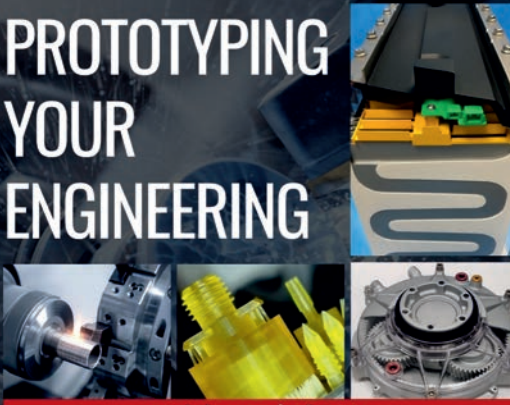

**Meet your fellow Model Makers:** We hold zoom-based meetups, virtual conferences, and in-person conferences. We learn about the newest materials, tools, and methods for model making, while honoring and refining our practice with the classics. We tour model shops and other facilities to see how other pros work. We hear from industry leaders and experts to gain insights from all corners of the profession. Most importantly, WE NETWORK!

**JOIN THE HUNDREDS OF WORKERS, STUDENTS, MANAGERS, EDUCATORS AND VENDORS IN THE APMM!**
